

5.1.1 Release Notes

A minor update will be deployed on Thursday, March 1st at 5:00 pm local time. During the upgrade, your sites will be unavailable for a few minutes.

A maintenance notice will be displayed to logged-in users at noon PST.

This update includes a number of enhancements and resolves a number of issues including the following:

- **Mobile app** - Various fixes for the mobile app.
- **SIS Data Sync Fixes** - Resolved rare issue which prevented data sync from completing.
- **ADFS & Office 365 Logout** - Resolved Microsoft issue where a user accessing files from Office 365 OneDrive could be signed out of the portal.
- **iOS Sign Out Fixes** - Various fixes for iOS Safari bugs where a user may not be sign out successfully.

iOS & Android App Update

The recently updated mobile app lets you stay logged in to your portal on personal devices. Portfolio users can also capture video, audio and photos.

The app requires your school district to use ADFS authentication. [Not using ADFS yet? Get in touch](#) to learn how it works with the mobile app. ADFS also allows you to integrate email and other tools like [Office 365 for Education](#), [OneDrive](#), or [G Suite for Education](#).
